

Floorplan Account Information at Your Fingertips

- REQUEST FUNDING FOR NEW LOANS
- MAKE PAYMENTS
- REVIEW MONTHLY BILLING STATEMENT ONLINE
- PRINT BILLING STATEMENTS, TRIAL BALANCES AND REPORTS
- ELECTRONIC BILL PRESENTMENT AND BILL PAY

Introducing Floorplan Connection

Wachovia's Floorplan Connection is a unique online solution that utilizes the Dealer Access System™¹ to instantly access, update and inquire about your floorplan loan information via the Internet. In the past, these types of transactions have been manual, redundant and time consuming. Floorplan Connection simplifies the process and provides you with pertinent floorplan information at your fingertips.

Floorplan Connection provides you with:

- Direct input of wholesale loans from your dealership
- Automated VIN decoding
- Payment input for individual pay-as-sold units and invoices
- Monthly billing statement payments

Also, with Floorplan Connection you can print reports, month-end bills and statements remotely. These are just a few of the great features offered with Floorplan Connection.

Using Floorplan Connection Couldn't Be Easier

Simply Log In

Input your user ID and password. That's it! You are ready to manage your floorplan account online. Floorplan Connection streamlines the entire account-management process by creating a virtually paperless environment, enabling you to perform key floorplan transactions in real time.

New Loans

You can easily and quickly request funding for new loans. Simply choose New Loan Entry from the option list. The vehicle information will be automatically decoded

when you input the VIN, and the loan amounts requested will be electronically processed with the online used-vehicle valuation guide. Once completed and approved, your dealership will be funded electronically.

Inquiries and Online Payments

While online, you can inquire about — and view specifics of — your floorplan account, including your monthly billing statement, trial balance, payment report, new loan report and much more.

You can also easily make payments. You simply choose a floored unit and determine whether payment will be made in part or in full. Your payment will be automatically processed through the system.

Online Statements and Reports

You can quickly obtain the overall status of your floorplan account using Floorplan Connection. The system will provide you with a variety of statements and reports, including:

- Last Billing Summary
- Last Billing Detail
- New Loan Requests
- Payment Requests
- Trial Balance
- New Loans by Date
- New Payments by Date
- Audit Listing
- Dealer Transaction
- And more

All statements and reports are available online and can be viewed and printed from anywhere at any time.

For more information about Floorplan Connection and how to put your dealership online, please contact your Wachovia Relationship Manager or your Wachovia Dealer Services Business Development Representative or Dealer Services at 1-888-937-9997. It couldn't be easier.
